AMENDMENT AFTER FINAL OFFICE ACTION

This Amendment is submitted in response to a sixth final office dated August 4, 2010 (“FOA6”) in which the Examiner rejected the claims as obvious (35 U.S.C. §103) over cited art. During a phone interview held October 7, 2010, the Examiner said that the claims would overcome the cited art if the base claims were amended to include the requirements of claim 22 and the Examiner would update the search. Applicants amend the base claims to include the requirements of claim 22, by amending claims 1, 31, and 41 to include the requirements of claims 22, 38, and 48, respectively. Claims 22, 38, and 48 are canceled. Applicant submit that this amendment places the pending claims 1, 9-14, 23-24, 31-37, 39-47, 49, and 50 in condition for allowance..

Amendments to the Claims are reflected in the listing of claims which begins on page 2.
